

2023 MA Act Early Campaign Week to Celebrate the Young Child!

April 6-12, 2024

Join us to

- Celebrate parents and caregivers as the very first teachers of children
- Share information about the growth and development of young children, including milestones
- Raise awareness about resources that exist to support child development

How?

Pick a day during the celebration week and join us by [hosting an in-person or virtual event](#) — use an existing event on your program’s calendar, create a new event, or build it into your interactions with families for the week. Set the name of your event and adapt social media posts to best fit your needs!

What will your site receive?

- A social media toolkit to promote your events
- **The first 50 sites will receive a \$100 stipend to support their event!**

Register to host a site [HERE](#).
